Designed with extensive input from military tactical consultants, yet suitable for civilian use.

This crowned-bezel version of the MAG-TAC LED flashlight features three modes: Momentary (in which the light stays on only while the switch button is being pressed); Full Power for a dazzling, 320-lumen beam that can light up an object two football fields away; and Strobe for a high-energy 12 Hz strobe that can disorient an opponent. All functions are selectable through Mag Instrument's tail cap-switch-activated "QuickClik" mode selector.

Includes:

Crowned Bezel Tactical LED Flashlight, Detachable Pocket Clip, and Two (2) CR123 batteries.
